At the Height of the Season

We are now at the height of the ready-to-wear season. Every one who is interested in Suits or Coats should plan to make their selections as soon as possible, as from now on all garment people are reducing their spring stock preparatory to summer business. While we now have a full stock of Suits and Coats on hand we are beginning to reduce our stock and all odd garments will be closed out as soon as possible. This is your chance to get some good suit values. These are garments that cannot be duplicated. We are putting these out at less price rather than buy more of the cheaper suits.

Ladies' and Misses Odd Coats

We have gone through our Coat stock and picked out all odd Coats and put them on a separate rack to close out at a greatly reduced price.

Here are Coats that sold at from \$10.00 to \$18.00. We are to give you your choice at one-fourth off from the regular price.

In this clean-up lot of Coats are a few Children's Coats, sizes 10, 12 and 14 years, at one-fourth to one-third off from the regular price to close.

There are also a few Junior Coats in 15 and 17-year sizes. These at the same reduction.

We have a lot of Children's Coats in sizes from 3 to 6 years that we have only one or two of a kind left, that we are making a good reduction on to clean up. There are a number of styles that sold at \$5.00 to clean up at \$3.98. If your size is here, you cannot afford to let these values pass.

Some of Our New Values

We have an extra good value in a lot of Muslin Waists. Here are five styles of Waists in all sizes, are a special lot of Waists we are putting out as a leader at \$7c each. These are in both high and low neck and short sleeves.

If you want a good Waist at the price, see these values. Only \$7c.

Every lady now begins to think of Wash Petticoats. We have just received a large invoice of Wash Petticoats in the white seersucker, and the plain-striped seersucker gingham.

The White Seersucker Petticoat at \$1.00 is a very good value. Will wash very easily and does not require ironing.

At \$5c are some values in the Gingham Petticoat in a blue and white striped gingham.

At \$1.25 is a Petticoat that is made of a blue and white striped gingham. Is the best quality of heavy-rod gingham. Has a deep ruffle, will wash and not fade.

See our Close-fitting Petticoat in black percale and heatherbloom at from \$1.00 to \$2.00.

Best Corset Values

These are Corsets that you cannot duplicate in other shops—Corsets that are made right, at small prices.

One lot of French-gored Corsets, good lengths, made of French coutille, four hose supporters, trimmed with mercerized embroidery, and have a drawstring at the tip. This is a wonder for the price, 49c per pair.

R. & G. Corsets. These are the only steam-moulded Corsets on the market, and their popular price is \$1.00.

R. & G. Corsets come in all lengths. Our #4 is extremely long, takes a 24-inch stock box. This is a very big seller—at the price, \$1.00, it is a leader.

For those that use a medium-length Corset, our No. 70 is our most popular seller. This Corset made of coutille with best boning. At the price, \$1.00, is our dollar special.

Nemo Corsets at \$3.00 are far better than any \$5.00 imported models. These Corsets are making their own sales. Users recommend them.

New Bags and Suit Cases

These are from the best people in the business, manufacturers that are all the time making improvements, so that this lot is better than any that we have ever had.

One lot of fiber matting Bags in two different sizes. These have a fitted folding end and are far better than anything of the kind on the market. We are selling them at a special at 98c each. Worth \$1.25.

Straw Matting Suit Cases in three different sizes. Well made with protected edges, the same as \$2.00 cases, at \$1.25 each.

We have a new design in a Straw Matting Suit Case that has an inside box for a shirt waist. These are sure to be appreciated.

We have a good assortment of medium-priced Trunks that we closed out quite a bit under price; yes, 25 per cent. under price. Good trades for you. We only want one profit—the other goes to the customer on these Trunks.

We are going to talk Black Cat Comfit Hose until every lady in Barre knows what they are like. They are patented. You cannot get the style in other hose. They have no seams in the foot; at the same time they have a full fashioned shaped leg. Once you wear them no other will do.
